

Date: **01/04/2025**

Dear **Eppakayala Sathvik,**

This is to certify that Eppakayala Sathvik has successfully completed an internship at AolDev in the field of Machine Learning. The internship took place from 18-01-2025 to 01-04-2025.

During the course of the internship, Eppakayala Sathvik was actively involved in various tasks related to machine learning, including data preprocessing, model development, algorithm testing, and evaluation. He/she demonstrated a strong understanding of key machine learning concepts, tools, and frameworks, and applied them effectively to real-world problems.

Eppakayala was responsible for:

- Implementing machine learning algorithms such as decision trees, linear regression, and neural networks.
- Preprocessing and analyzing large datasets using Python and libraries like Pandas, NumPy, and scikit-learn.
- Collaborating with the data science team to improve model performance and accuracy.
- Conducting research on state-of-the-art machine learning techniques and applying them to ongoing projects.
- Eppakayala displayed excellent problem-solving skills, a strong willingness to learn, and the ability to work independently as well as collaboratively with the team

Regards,

AolDev
